

Breastfeeding Resources in our Community

BabyTalk - 613-549-1154 or toll free at 1-800-267-7875, ext. 1555;
TTY: 613-549-7692, 1-866-299-1136

Public health nurses provide information about breastfeeding, mother and baby health, parenting until age six, and community resources for young families.

KFL&A Public Health Prenatal Breastfeeding Class - Call BabyTalk for dates and times.

A lactation consultant gives parents-to-be basic information for successful breastfeeding.

Healthy Babies, Healthy Children - Call BabyTalk for information.

Supports parents with children, from pregnancy to age six, to get the help they need to be the best parents possible. Phone counselling and/or home visits are available from public health nurses.

BabyTalk Drop-ins - Call BabyTalk for locations and times.

A lactation consultant and a public health nurse are available to answer questions and give information on breastfeeding, infant nutrition, and normal growth and development. Immunizations are available at some locations. Come meet other parents.

Breastfeeding Buddies - Call BabyTalk for information.

A new breastfeeding mother will be matched with a KFL&A Public Health trained volunteer who has successfully breastfed. This is a telephone support program.

Food for You Food for Two - Napanee and Amherstview - 613-354-3357

This is a pre and postnatal nutrition program. It provides family and breastfeeding support for mothers with infants up to six months old.

La Leche League - Call 1-800-665-4324 for a leader near you.

Leaders provide breastfeeding counselling, support, and monthly meetings for information and social networking.

Better Beginnings for Kingston Children - 613-542-2835

Programs are offered for expectant parents and young families living in North Kingston. Breastfeeding is strongly supported.
